

I wonder is Lyn Redwood is
pushing autism as multisystem
disorders to feed into vaccine
injury?

Would be a good justification
for looking at vaccine
injured kids who have
gotten awards.

Leave a trail of genius.

Marriott.
HOTELS & RESORTS

Exactly point that
Ed was making

~~This is like that the
controversy over
cochlear implants &
the deafness~~

~~the news~~ There are advocacy
groups that claim it's more
like homosexuality
